SUBJECT: ISN LETTER OF THANKS TO SINGAPORE PSI PRESENTER

REF: A. STATE 023580  
[1](#)B. STATE 069357

[1](#)1. SUMMARY AND BACKGROUND: On May 29, 2008, the United States hosted a Proliferation Security Initiative (PSI) Outreach Workshop in Washington, attended by representatives of 21 countries that have not yet endorsed the PSI, as well as most of the 92 PSI participating states. The workshop provided detailed information on the broad range of PSI activities and tools that have been developed for training, organizing for, and conducting interdictions of shipments of proliferation concern. Michelle Teo-Jacob, Deputy Director (Counter Proliferation and International Security), MFA, gave a presentation on how a government can organize interagency coordination to achieve PSI objectives, using Singapore's experience as an example (copy can be forwarded upon request).

[1](#)2. ACTION REQUESTED: Embassy is requested to deliver under appropriate cover the following letter from Acting Assistant Secretary Patricia McNerney to Ms. Teo-Jacob, thanking her for her presentation. There will be no signed original.

Dear Ms. Teo-Jacob:

I would like to thank you for giving the presentation on "Organizing for PSI" at the May 29, 2008 Proliferation Security Initiative (PSI) Outreach Workshop in Washington, DC. Your presentation made an important contribution to the Workshop.

I believe the Outreach Workshop was very successful both because it informed states of the many ongoing PSI activities and because it provided states with concrete ways to improve their capabilities to stop WMD-related trafficking. The United States greatly appreciates the significant role that Singapore plays in advancing the PSI's goals, including in outreach. We believe that we must continue PSI outreach, both to encourage more states to endorse the PSI and encourage states that have already endorsed to participate more actively. We look forward to continuing our work together in support of the PSI.

Sincerely,

Patricia A. McNerney  
Acting Assistant Secretary for International Security and  
Nonproliferation,  
Department of State
